Welcome Home!

Dear University of Florida medical alumni:

I hope you will have an opportunity to join us in Gainesville this October and learn firsthand how your alma mater is growing and changing. The UF College of Medicine is poised for an exciting future, and Alumni Weekend 2015 is not only the perfect time to reconnect with classmates and friends but also to see the debut of the George T. Harrell, M.D., Medical Education Building that will open in July.

Many of us look forward to Alumni Weekend as its events, including the Notable Alumnus Lecture, the reunion class’ celebration, student interactions and of course tailgating, are structured to provide us an opportunity to rekindle old memories while we enjoy making new ones. Gator pride is not just about what happens on the gridiron. It is more about pride for our College of Medicine, pride for all of the friendships that we’ve made, and pride for the successes we have achieved because of our time at the UF College of Medicine.

It is for these reasons that we ask that you support the UF College of Medicine’s Alumni Association through Alumni Weekend 2015. Please register for one or more of the Alumni Weekend events, encourage your classmates to attend and consider making a monetary contribution to support the College’s critical goals. Make sure to also participate in our Student Panel or Student/Alumni Speed Networking event to see what it is like to be a student today and share your words of wisdom with the next generation of Gator medical providers.

Thank you for your time, dedication and commitment to the UF College of Medicine and to the Medical Alumni Association.

Mark your calendar for October 2-4, 2015. I look forward to seeing you all at Alumni Weekend 2015.

And as always . . . Go Gators!

Sincerely,

Gina M. Sevigny, MD ’94
President, UF Medical Alumni Association

SPECIAL NOTE ABOUT FOOTBALL TICKETS:
University Athletics has made significant changes to the pricing and availability of football ticket blocks. PLEASE NOTE that tickets are not guaranteed for Alumni Weekend, and if we are able to secure a ticket block, we may not be notified until late July. If we are fortunate enough to receive a block of tickets for Alumni Weekend, please note that the price per ticket for the Ole Miss game is $65. In the event the Athletic Association does not approve our ticket block request, you will be refunded the cost of football tickets. We sell football tickets to our alumni at face value, on a first-come, first-served basis. Everyone entering Ben Hill Griffin Stadium must have a ticket, including infants. Thank you for your patience, and we hope to have good news about a football ticket block in July!

THINGS TO KEEP IN MIND

FOOTBALL TICKETS:
Football tickets, which can only be purchased by alumni who have registered for either the tailgate or Celebrating Classes dinner, will be available for pick-up at Friday's Celebrating Classes dinner or Saturday's tailgate event. Football tickets are NON-REFUNDABLE.
*Please note Ben Hill Griffin Stadium's policy that every person (including infants) entering the stadium is required to have a ticket.

EXTRAS POLICY:
You may request additional tickets, noting the number needed on your registration form or in the comments field online. Your name will be put on a waiting list, and you will be notified of availability after registration closes. Please only request additional tickets if you are sure you will be able to use them.

SEATING POLICY:
Football tickets are typically released to the College of Medicine Alumni Affairs Office as a seating block, and seat assignments are then done based on number of tickets needed for each primary registrant and by class year. We do our best to seat the members of each class year together or as close together by row and section as possible.
If you have special seating requests, such as a request to be seated with a particular classmate, please include this information on the registration page that covers football ticket purchases, in the “Special Instructions” area. Special seating requests that come in after tickets are purchased or on the day of the game may not be accommodated.

CONFIRMATION & MATERIALS:
All primary registrants will receive a confirmation email after registering. In September, primary registrants will be mailed a registration packet with their name badges and a document containing all relevant weekend information. Please bring these materials with you to Alumni Weekend.
Please note that football tickets will NOT be mailed with these packets, and must be picked up onsite at the Celebrating Classes dinner or Tailgate. Once the game time has been announced, we will post all relative times for Saturday events on the Alumni Weekend website.

IF YOU DO NOT RECEIVE A CONFIRMATION EMAIL AFTER REGISTERING:
Please check your junk or spam filter and then contact the Office of Medical Alumni Affairs at drgator@health.ufl.edu or 352-273-5939/toll-free 888-DR-GATOR.
