ALUMNI WEEKEND
2018

Welcome home!

Dear University of Florida medical alumni:

No matter how long it has been or how far you have gone, there is always a place for you to reconnect at the University of Florida College of Medicine. I hope you will join us in Gainesville this November for Alumni Weekend 2018 to see classmates and friends, celebrate alumni achievements and learn how your alma mater is thriving.

Campus comes alive each year during Alumni Weekend, as hundreds of alumni, friends and families return to the UF College of Medicine. This reunion offers a variety of special events for a weekend of fun, food and memories, including the Notable Alumnus Lecture, the reunion classes celebration dinner, George T. Harrell, MD, Medical Education Building tours and football tailgating. Together, we will honor the impact our great college had on our professional aspirations, rekindle old friendships and reminisce about our time spent at the UF College of Medicine.

It is my hope you will consider returning to campus for Alumni Weekend. Please register to attend one or more of the Alumni Weekend events, encourage your classmates to attend, and consider making a class gift to support the college’s critical goals. I also encourage you to consider participating in other events, such as our deans’ panel discussion or student/alumni speed networking event. Come see what it is like to be a student today and share your experiences with the next generation of great Gator physicians, physician assistants and researchers.

Thank you for your time, dedication and commitment to the UF College of Medicine and Medical Alumni Association. Mark your calendar for November 9-10, to come home, celebrate the past and contribute to the future of excellence in medical education. I look forward to seeing you all at Alumni Weekend 2018. Go Gators!

Sincerely,

James B. Duke, MD ’85
President, UF Medical Alumni Association
FRIDAY EVENTS – DAY 1 | NOVEMBER 9, 2018

9:30 a.m.
GOLDEN GATORS BREAKFAST
Hilton UF Conference Center
A special breakfast for our 50th reunion Class of 1968 to kick off your milestone reunion and reconnect with your classmates.

 Noon – 1 p.m.
EDUCATING FUTURE LEADERS IN HEALTH CARE: DEANS’ PANEL
North Learning Studio, George T. Harrell, MD, Medical Education Building
Hear from UF College of Medicine deans including Interim Dean Dr. Adrian Yantoul, Dr. Joseph Fontone, Dr. Marian Limacher, Dr. Steven Susre, Dr. Donna Parker, Dr. Tim Flynn and Dr. Nina Multak. Our leaders will share what they see as challenges and opportunities in educating the next generation of health care providers. *Lunch included.
— $20 per adult/$15 per child under the age 13

9:45 – 10:45 a.m.
INNOVATIONS IN RESEARCH
North Learning Studio, George T. Harrell, MD, Medical Education Building
With the opening of the new UF Health Heart & Vascular Hospital and the UF Health Neuromedicine Hospital, our faculty are excited to share their innovations in patient care with you.
Dr. Thomas Beaver, professor and chief in the division of thoracic and cardiovascular surgery, and Dr. Brian Hoh, chair of neurosurgery, will speak to innovations in their specialties.

1:15 – 2:30 p.m.
NOTABLE ALUMNUS LECTURE — RENEE BLANDING, MD ’88
Maintaining the Joy in Medicine
Dr. Renee Blanding is a 1988 graduate of the UF College of Medicine. She is a native of South Carolina and received a BS in biology and MPH from the University of South Carolina. Upon graduation from medical school, she completed an internship in internal medicine at LSU and started an anesthesiology residency at Charity Hospital in New Orleans. After moving to Baltimore in 1991, Dr. Blanding completed her anesthesiology residency at The Johns Hopkins Hospital. Since 1992, she has been a staff anesthesiologist at Johns Hopkins Bayview Medical Center. Dr. Blanding has served as medical director of the operating room for seven years and has been in her role as vice president of medical affairs since July 2011.

6:30 – 9:30 p.m.
CELEBRATING CLASSES DINNER
Hilton UF Conference Center, 1714 SW 34th St.
— $75 per person/$55 per person for graduates and guests of classes of 2008 and 2013

SATURDAY EVENTS – DAY 2 | NOVEMBER 10, 2018

3:30 – 4:30 p.m.
DINNER WITH DEANS — INTERIM DEAN DR. ADRIAN YANTOL
North Learning Studio, George T. Harrell, MD, Medical Education Building
Dean Dr. Adrian Tyndall, Dr. Joseph Fantone, Dr. Marian Limacher, Dr. Steven Susre, Dr. Donna Parker, Dr. Tim Flynn and Dr. Nina Multak. Our leaders will share what they see as challenges and opportunities in educating the next generation of health care providers. *Lunch included.
— $20 per adult/$15 per child under the age 13

4:45 – 5:45 p.m.

INNOVATIONS IN RESEARCH SPEAKERS

THOMAS BEAVER, MD, MPH
Chief, division of thoracic and cardiovascular surgery
Dr. Beaver is the surgical director of heart transplantation at UF Health and a member of the lung transplant team. He is also the co-principal investigator on an NIH R01 grant studying diaphragm function following cardiac surgery. His research interests include making cardiac and aortic surgery safer through minimally invasive techniques and improved postoperative management.

BRIAN HOH, MD
Chair, department of neurosurgery
Dr. Hoh leads the comprehensive neurovascular program that specializes in the management of conditions including cerebral aneurysms, arteriovenous malformations, carotid and intracranial atherosclerosis, stroke, cavernous malformations and Moyamoya disease. He is also the principal investigator of NIH R01-funded research of the mechanisms of cerebral aneurysms and tissue engineering technology to improve treatment.

LET’S START PLANNING

Whether you drive, fly or take a bus, getting to Gainesville is relatively easy. Three airports are located within a two-hour drive or less, and several bus lines regularly provide service.

GAINESVILLE REGIONAL AIRPORT
Gainesville Regional Airport (GNY) is located approximately 8 miles from the College of Medicine and Archer Road area hotels. For more information, visit gra-gnv.com or call 352.373.0249.

JACKSONVILLE INTERNATIONAL AIRPORT
Jacksonville International Airport (JAX) is located approximately 85 miles from Gainesville, and travel time by car is approximately one hour and 45 minutes. For more information, visit www.flyjax.com or call 904.741.4902.

ORLANDO INTERNATIONAL AIRPORT
Orlando International Airport (MCO) is located approximately 120 miles from Gainesville. Car rental agencies are plentiful, as are other ground transportation options to get you to Gainesville. For more information, visit www.orlandoairports.net or call 407.825.2001.

**REGISTRATION DEADLINE:** Friday, October 26
FOOTBALL TICKETS:
A limited number of tickets are available for the UF vs. South Carolina game! Each registered UF College of Medicine alumni can purchase up to four tickets on a first-come, first-served basis. Additional ticket requests will be honored in the order they are received if tickets remain after October 26. The Ben Hill Griffin Stadium policy is that each person, including infants, who enters the stadium is required to have a ticket. Football tickets are nonrefundable. Please note that game seats are located in the Upper Level South End Zone. We will do our best to seat classes together. The alumni block of tickets will sell out fast! Register early to ensure your tickets.

CONFIRMATION & MATERIALS:
All primary registrants will receive a confirmation email after registering. In August, primary registrants will be mailed a registration packet with their name badges and a document containing all relevant weekend information. Please bring these materials with you to Alumni Weekend.

IF YOU DO NOT RECEIVE A CONFIRMATION EMAIL AFTER REGISTERING:
Please check your junk or spam filter and then contact the Office of Medical Alumni Affairs at drgator@health.ufl.edu or 352.273.5939/toll-free 888.DR.GATOR.

Join the conversation on social media using the hashtag #UFMEDREUNION

STADIUM BAG POLICY:
Approved bags include clear plastic, vinyl or PVC bags that do not exceed 18”x6”x12”, one-gallon clear, resealable plastic storage bags, small clutch bags no larger than 4.5”x6.5”, medically necessary items (after proper inspection).

You can purchase an approved bag during the online registration process. Proceeds benefit the UF College of Medicine Global Health Program.
